HOME VISITING FAMILY SURVEY

Dissemination Logistics

- Local programs will take the lead
- The survey will be completed online
- Standard materials have been developed for your use
- Progress reports will be provided to help you monitor returns
- **Survey Window:
April 1 to June 30, 2022**

Develop a Dissemination Plan

1. Use statewide materials & clear messaging.
2. Use online survey link and QR code.
3. Anticipate caregiver needs to complete the survey, including language & internet barriers.
4. Reach out to caregivers who are from traditionally underrepresented populations.

Develop a Dissemination Plan

6. Involve the staff that caregivers know and trust.
7. Train staff to:
 - Describe the importance of the survey.
 - Be familiar with instructions and questions.
8. Share often with caregivers.
9. Offer incentives to staff and caregivers.

WHAT NOT TO DO

- Guide families to answer items in a certain way
- Pressure families to complete the survey

How will the results be used?

HOME VISITING FAMILY SURVEY

Survey of Families in Pennsylvania's Home Visiting Programs (2022)

The survey is for pregnant mothers and families with children who receive home visiting services, such as Nurse-Family Partnership, Parents as Teachers, Healthy Families America, Early Head Start, SafeCare Augmented, and Family Check-Up.

Your responses will help improve home visiting services for families with young children. Please read each question carefully and base your responses on your thoughts on that specific question.

Your responses are confidential. Your home visiting program will not be able to identify your responses.

Please skip any questions that do not apply to your family and situation. The first few questions are about you. This information will help us know your program your family participates in.

* My birthday is

* My zip code is

* I live in this county

* My family lives in this school district

Flyers and paper copies of the survey will be posted to <http://www.pa-home-visiting.org/family-survey/>

Families - Your Voice is Important!

- Responses will be used to improve Pennsylvania's home visiting services.
- All responses are confidential.
