Welcome! We hope you will be able to join the conference.

The *Pennsylvania Family Support and Home Visiting Conference* is for the administrators and family leaders from Family Support and Home Visiting (FS/HV) programs. If you received this flyer, your FS/HV program thinks of you as a family leader.

Family leaders are current or past participants in FS/HV programs who also play leadership roles in the program. For example, family leaders may be participants in local advisory groups, participants in Continuous Quality Improvement (CQI) activities, or participants or facilitators of Parent Cafés.

Conference Agenda

The conference starts at 9:00 AM on Monday, November 14, 2022, and ends at 3:00 PM on Tuesday, November 15, 2022.

There are many sessions at the conference, designed for family leaders. The conference will feature discussion groups, three breakout sessions featuring eighteen different topics, and two keynote presentations by nationally known speakers on race and equity and parent engagement and advocacy. Once you have registered, you'll receive additional information about the family leader events available at the conference.

A special session of the Be Strong Parent Café will be held for family leaders attending the conference. This Parent Café is open to conference attendees, interested in having an opportunity to speak with other parents/caregivers about the challenges and victories of raising a family in a physically and emotionally safe space. Participants leave Parent Cafés feeling inspired, energized, and excited to put into practice what they've learned. Find more information on Parent Cafés, at www.bestrongfamilies.org/cafes-overview.
